

## Product Specifications

### EO-T8-1200, LED 1200mm Tube

| SPECIFICATIONS            |  |
|---------------------------|--|
| Product Code              | EO-T8-1200   |
| Power Consumption         | 18 watts   |
| Operational Voltage       | 240volt  |
| Intensity of Light Output | Warm White - 1220 lumens<br>Cool White - 1450 lumens<br>Daylight - 1700 lumens |
| Colour Temperature        | Warm White - 2700 Kelvin<br>Cool White - 4000 Kelvin<br>Daylight - 5000 Kelvin |
| Fluorescent Equivalent    | 36 watts   |
| No. of LEDs               | 288 diodes   |
| Dimensions                | 1,198mm x 56mm   |
| Expected Life             | 50,000+hrs   |
| Beam Angle                | 120°, 90° or 60°   |
| Warranty                  | 12 months  |

#### Key benefits for the EO-T8-1200, LED 1200mm tube:

- Extra long Life:** 50,000+ hour lifespan exceeds even the highest quality fluorescent tubes
- Extreme efficiency:** Over 50% more efficient than T8 fluorescent tubes
- Shatter-proof design:** Manufactured from impact resistant poly carbonate with aluminium end caps
- No mercury content:** Eliminates harmful mercury waste
- Flicker-Free Lighting:** Eliminates the flicker from fluorescent tubes that can lead to lost productivity, headaches and other known medical disorders
- Instant starting:** Starts immediately and has no warm up time
- Extreme temperature:** Operates within a wide temperature range making these tubes ideal in supermarket freezers, outdoor areas and high heat environments
